

GREAT LAKES SEA KAYAKING ASSOCIATION MEMBERSHIP APPLICATION

GLSKA activities are shared experiences based on cooperation and mutual support. The organizers of GLSKA activities act as focal points to bring together the ideas, energies, and resources of the group, but are not formal leaders. They are not paid, and can take no responsibility for the safety or well-being of participants. Therefore, you should take the time to research and understand the degree of physical risk involved in these activities, and be sure that you are prepared for it, to make sure that you have all the required equipment and that it works, and be prepared to take responsibility for your own safety and good spirits throughout the activity.
